**Weekdays**

Prices are quoted as: “We charge £75 (or relevant price) + VAT for the call-out and this includes an hour’s labour. If, however, the work is not completed within the hour, the engineer will be able to give an approximate time and cost to complete the job”. The next hour is incrementally billed every 20 mins (1/3 of the hour charge).

If high pressure jetting is needed or requested on drains it will be an additional £59.

Any call after 5pm should be quoted the 6pm rate, or booked for the following day at the normal rate
